

October 2016 Dinner Plan

These dinners do not have a side dish listed. This is because it's either an all-in-one meal, or the plan is to serve raw or roasted vegetables with the main course.

The highlighted links you see in the menu will take you directly to the website for each recipe. If you want to see photos of the linked recipes in one place, you can visit my [Pinterest board for main dish recipes](#). I'm always pinning new recipes, so following my board is a great idea if you're looking for dinner inspiration.
